Exmouth
DISTRICT HIGH SCHOOL
A beacon of learning, an ocean of opportunities

Dear Parents

Today, the Government has announced all public schools in Western Australia will remain open until the end of term – Thursday, 9 April 2020.

However, families are now encouraged to keep their children at home if they have the capacity to do so. The Department's learning from home resources are available to them.

What this means for our school is:

- From Monday, 30th March to Friday, 3rd April all children who attend school will be taught as normal.
- The following week (6th to 9th April) teachers and education assistants will prepare teaching programs for Term 2.
- During this time (6 to 9 April), the few students who attend school will be supervised.

We recognise there will still be families who need to send their children to school to continue their learning during this period.

These may include:

- Children of parents and carers who need their children to attend school to maintain employment.
- Children who live in families with aged relatives.
- Children where it is safer for them to be at school.

More detailed information about the provision for learning at home in term 2 will be provided in the coming weeks. Thank you for your understanding and support during these trying times.

Kind regards,
