Dear Marcus

I am pleased to advise that the Public School Review of Exmouth District High School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. You will receive formal notification in the 2 terms leading up to your school's scheduled review. This notification will be provided in 2028.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

The review team reported you have led genuine and respectful approaches to build a strong, interconnected Kindergarten to Year 12 community that works together to provide the best possible environment for learning and growth, and subsequently open and transparent communication, trust and respect have developed.

It is also apparent from your report that the school has transformed the learning environment by developing a culture of high expectations, high care and tailored support. It is evident that clearly defined processes support the pre-conditions for learning to be met. This culture is reported to be underpinned by staff training and a strong moral purpose to support wellbeing and engagement.

It is noted that sharpening of the future direction of classroom instruction is evident and complemented by the school's engagement in the Centre for Excellence in Explicit Teaching of Literacy internship. You are to be commended for your leadership to date and the future aspirations you have for the school, as reported and supported by the review team.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
