School Board Expressions of Interest

Dear Parents, Carers and Community Members,

The Exmouth District High School Board warmly invites parents, carers and community members to register an ongoing Expression of Interest to join the School Board.

Whether you are new to town, passionate about education, keen to contribute to the Exmouth community, or may be available to support the school in the future, we would welcome hearing from you.

The School Board meets twice per term and plays an important role in supporting the strategic direction of the school, strengthening partnerships between families and the community, and contributing to decision-making that supports student success from Kindergarten through to Year 12.

Board members work collaboratively with the Principal and leadership team to:

- contribute to the development and review of the School Business Plan
- provide advice and input on key policies and priorities
- offer strategic oversight
- represent the voice of the wider school community
- strengthen relationships between the school and the local community

Serving on the School Board is a rewarding opportunity to make a genuine contribution to public education in Exmouth. We encourage Expressions of Interest from people with diverse skills, backgrounds and experiences who are keen to support our students and school community.

Successful applicants will be required to complete an induction and training program to ensure they are well supported and able to make meaningful contributions to the work of the Board.

If you are interested in being considered for future opportunities, please complete the Expression of Interest slip below and return it to the front office at any time.

Should you have any questions regarding the role, you are welcome to contact the school on 9947 8888, speak with me, or our Board Chair, Cath Godfrey.

Yours sincerely

A handwritten signature in black ink that reads "m. gianatti". The signature is written in a cursive, lowercase style.
